

Paintball Clinic Hosted at Spent Paintball

January 10, 2009

Train Hard Paintball presents: Paintball Clinic for Rookie and Intermediate Paintball Players

Hosted by Professional Paintball Player Dave Pastore and Philly Americans Pro Star Gant MacLellan

Regardless of your paintball experience all attendees will learn the best and only the most effective techniques available in the sport of paintball...period.

Learn key fundamental paintball techniques:

- Running and Shooting
- Bunkering
- Edging
- Snap-Shooting
- Sweet Spotting
- Breakouts
- Communication & Teamwork
- Diving and Sliding
- Proper Stretching
- Field Awareness
- Time Management
- Strategy
- And much more

Students will learn the key paintball skills necessary to enhance virtually every angle in their game as well as build the confidence needed to compete at the next level. Paintball training classes are designed for players of all ages and calibers with guaranteed results.
